ACC Performance Products Plus, Inc Proudly Announces:

Jim Grady has joined ACC Performance as Vice President of Sales and Marketing. ACC Performance is expanding its business and facilities. Jim's primary focus will be to implement a marketing plan for our warehouse distributors and complete the selection of manufacturers representatives through out the US and Canada. Jim will be responsible for and coordinating all of the sales and marketing for ACC Performance. Jim has been in the industry for more than 39 years. Jim has been with General Motors for 14 years as a

Senior District Sales manager with AC Delco Division. From there Jim was co-owner of Industrial Lubricants, Inc. a manufacturer of automotive engine lubricants. Jim sold his interest in Industrial Lubricants, Inc. Jim was then hired by Flex-a-Lite Consolidated, a manufacturer of electric aftermarket fans and cooling products. For the next 19 years he grew Flex-a-Lite and the National Sales Manager and finally as both National and General Sales Manager.

ACC Performance was founded in 1970. Since that time, we have continued building the highest quality and durable torque converters with the most application coverage in the industry. We offer "The Original BOSS HOG Torque Converters" for just about every application of driving style. ACC Performance builds converters from Rock Crawling, High Performance, to Race converters to the family grocery getter. We continue to exceed expectations as to the quality of our products and customer service. Jim experience and knowledge of our industry will only serve to strengthen ACC Performance as a leading Torque Converter manufacturer.

Jim may be reached at the ACC Performance Headquarters.
